# Deeplas window boards

## Sturdy, hard-wearing, easy-to-fit laminated window boards make the perfect finishing touch to any window

As the essential finishing touch to any window interior, window boards need to be attractive, hard wearing and low-maintenance. When you choose window boards from Deeplas, you get all of these benefits, combined with easy installation and a choice of colours to complement any window frame.

## Tough, scratch-resistant surface that stays looking good

Deeplas windows boards feature an extremely strong and durable laminate top layer that is highly resistant to scratches, abrasives, water, heat and UV radiation – so it holds its colour and stays looking good for years.

## High-strength, lightweight boards designed for easy fitting

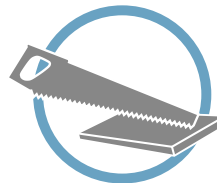

Deeplas boards are sturdy and hard-wearing, but also lightweight and easy to handle. This, combined with a full range of matching end caps and joint trims means that fitting the boards to a high standard is fast and straightforward.

High resistance to scratches and abrasives

Robust, light and easy to handle

Easy to fit

Water and UV radiation resistant
